Clean-Zone Manufacturing™

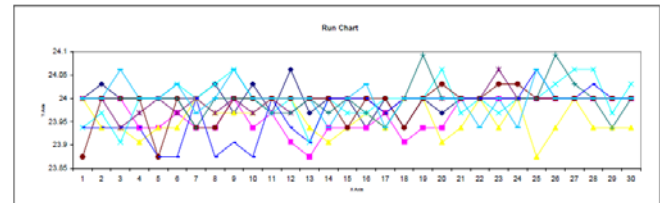

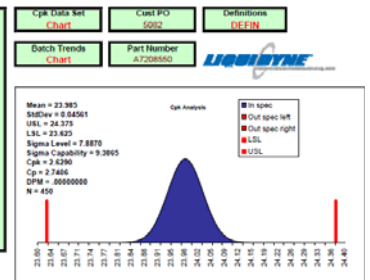

Our Quality Management System

Our Quality Management System conforms to ISO9001:2000 standards and promotes continuous improvement on company's best practices, exceed customer expectations, and address the distribution, design and assembly of company products.

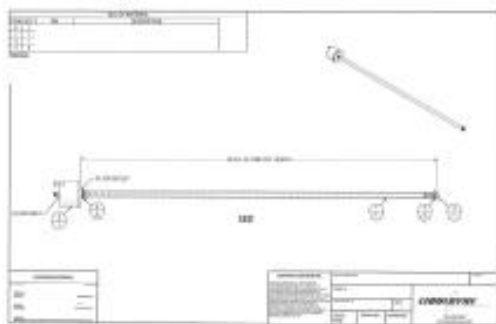

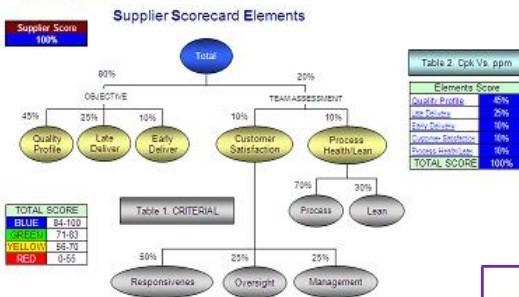

The following is a sample of quality documents we administer and provide.

- Run Charts
- CPK Analysis
- Supplier Analysis and Validation
- LPT Certificate & Material Tractability

BATCH	Cpk	BATCH	Cpk	BATCH	Cpk
0944-0219	3.721				
0944-0220	3.6314				
0944-0221	3.767				
0944-0222	2.9366				
0944-0223	2.5766				
0944-0224	3.0943				
0944-0225	4.9267				
0944-0226	3.067				
0944-0227	3.1029				
0944-0228	3.061				
0944-0229	5.9205				
0944-0230	3.0626				
0944-0231	3.6263				
0944-0232	2.2357				
0944-0233	3.6601				

DASHBOARD

Single Use Fabrication

- ✓ Custom Fabrication and Assembly
- ✓ World Class Partners
- ✓ 2-D/3D Drawing and Manufacturing to your specifications
- ✓ Dedicated Project Management
